Committed to Sustainability

All Autumn Winter Machine Washable qualities are approved by AATCC.

All qualities with recycled fibres, lenzing material, organic cotton, RWS wool are subjected to limited supply. Colours may vary from colour cards swatches and different dye lots.

Colours with sharing colour tabs are subjected to colour variation.

Each season our colours may vary, to guarantee your expectations, please advise our latest shade card.

Our signature collection of lambswool and lambswool blends in a wide range of yarn counts and colours is beautifully crafted. A collection perfect for mid-gauge soft and durable knitwear. We have carefully selected and combined tailored these fibres for added comfort, adaptability, and long-lasting pieces.

We recognise the systemic change needed within the textiles industry. We are constantly researching and developing to integrate more fully certified sustainable lambswool blends/options to provide an environmentally responsible solution.
